Dear Nina Dawes,

Firstly let me apologise for the length of time our sponsor money has taken to reach you.

Unfortunately our pre arranged venue was under several feet of water for three weeks, thanks to the Great British weather!

We there fore held several small events, (thanks to local toddler groups) whilst waiting for the floods to subside. The big event took place in early March.

However this presented a challenge of its own trying to collect pledged moneys from several different places, most if not all is finally in, any straddlers (if any) will be forwarded as soon as possible.

FINAL TOTAL AS STANDS £285.50

Many thanks for your patience.

Sincerely,

Wendy Martin.
